In the gigantic storm called Hip-Hop music Medic is that light that emerges with a burning intensity. Medic is a raw but refined talent that comes straight from the heart of Salisbury, North Carolina. His style is a combination of a melodic rhyming and a deep down dirty cut loose flare. Medic began his musical journey a mere four years ago with the knowledge that his skill would take him far beyond his imagination. His first venture into the scenes was a mix tape that he put together and then passed out 400 copies. On the mix tape, Medic displayed great versatility by taking on some of the biggest beats in Hip-Hop history. He built clout through his powerful energy and was accepted very well with his independent album he produced in his home studio called The Art of Life. Throughout his local area he kept the crowd pleased with offerings from the ground shaking release. His unique lyrics and songs became anthems throughout surrounding cities where they gained exceptional airplay. Medics talent has allowed him to be invited to headline some of the hottest shows that the Carolinas has ever seen. With a powerful gift of the voice combined with a modest look at life through his lyrics, he captures a variety of emotions. The young outspoken MC has shown great growth and continues to display his energetic vibe through his music.
