From R&B Hip-Hop, Dance, Pop, Jazz and Gosepl. 14 MP3 Songs URBAN/R&B: R&B Pop Crossover, POP: Today's Top 40 Details: Monica has been seen on Pipers Pics television with a viewer ship of over 300,000,000, VH1 throughout the east and west coast; and BET, on the new television show, Colours. With all of her accomplishments, many of you dont know her struggle henceforth. Regardless of what has happened in her past, her future is bright, her time is now and she has excelled to the next level. Monica Mason recently returned to the studio to complete her sophomore project. This new project will undoubtedly soar her to new heights and horizons, and the fans will appreciate her finest work to date. This is her time, dont sleep on her or youll miss out. Ms. Mason has been selected by DSD Publicity to be the R&B Artist to sing at various venues throughout the nation to raise awareness to HIV Aids. For fans who have the opportunity to hear her perform, Ms. Mason will be performing at Tuskegee University, November 10, 2006. This event is a Block Party on the Yard, hosted by the Student Government Association. Hailing from Denver, CO Mason moved to Atlanta to pursue a college education at Morris Brown College, home of legendary songstress, Gladys Knight. While In Atlanta, GA Monica Mason continued to pursue her first love, MUSIC. Traveling to Los Angeles, Mason scheduled a meeting with her hometown, childhood friend, from EMIs Music Publishing, Big Jon Platt Executive Vice President, Urban Music, U.S. Platts advice to Mason was, Bring me back some stronger material with a new sound. Its been two years since that meeting in Los Angeles, and she has taken his advice; her new project has been unleashed, the end result is this new release, So Amazing! Request this song at your local radio station; the cd will be available in your local record stores, December 2006. This diverse album will take the nation by storm. If you heard Ms. Mason on her debut cd, entitled, My Soul you will absolutely love

the versatility she has shown on this new project. She literally pours her heart and soul in this album, with rap, pop, and gospel, these lyrics will keep everyone entuned. This album will shock everyone, and this is what we have intended to accomplish. Going back to basics, Monica Mason has decided to position her pieces to eliminate the pawns in the game of music and take her rightful place as one of the future Queens of Pop, R&B Rock!
