This rich variety of music is representative of tunes from the 17th to the 21st century. 16 MP3 Songs KIDS/FAMILY: Lullabies, FOLK: Folk Pop Details: It is Gratifying to know that the Mandolin is alive and well in Montana. The Montana Mandolin Society has come up with a great collection of mandolin music. Congratulations on a splendid effort! David Grisman AS FAR AS I CAN SEE spans a musical time line of mandolin history. This rich variety of music is representative of tunes from the seventeenth century to the twenty-first century. We love this music and you can tell when you hear it. Our mandolin reflect tones as bright and sharp as Montanas mountains as vas and powerful as Montanas wide open plains..as far as we can see. Linda Wertheimer on her interview with us, responds to this music.all of those strings together. See what you think. Waltzes, Classical, Contemporary, Original, and Historic.
