

Mp3 Tampastan - At Least It's Somethin' Different

[DOWNLOAD HERE](#)

Quirky, eclectic, fun, catchy, different, retro-yet-often-cutting-edge country, pop, rock and even a samba for our hispanic friends out there, this time around. 11 MP3 Songs in this album (34:36) ! Related styles: COUNTRY: Country Pop, FOLK: Folk-Rock People who are interested in Jimmy Buffett John Prine Jim Morrison should consider this download. Details: Wow, it's been way over a year since the last CD. So I guess this baby's a "golden oldie" already! I recorded it with Bill Dudley's much-appreciated "assist", thinking I was gonna take a year-off, travel the planet. After selling off a house we'd owned 30 years...on a busy Tampa corner makin'-a-bundle! During the moving-out process (we went thru four contracts with the buyer), I managed to set these CDs aside, (lose them) as the day-to-day got busier. more-depressing as buyer got shot down by lender-after-lender. (16 bankers he went through!) So after lots of searching thru a really messy studio, I found these babies in..of course..The Last Place I looked. Like a fine ol' cheese, it's now aged-a-wee-bit. Still, I think you'll find most of it tasty: opening track is wildly fun, definitely different for a birthday party singalong. Rockers oughta love Chuck Crowe's guitar work behind "The Heat". (Eric Clapton reportedly did - "a lot.") Country folks'll chuckle about "We All Cheat". The title track, "Disappearin' Mornin' Blues". My own "Personal Faves" are "Doubtful Burgers (Questionable Fries) - A delightful sweet little Samba about food-poisoning, (a true-life adventure, I'll add!) "I'm Writing the Next Big Song". Which of course I'm always working-at in what passes for spare time. Hopefully there'll soon be a follow-up CD to this baby. And I won't misplace the results for a year again. Oh. And anybody lookin' for a 3200 sq foot 2-story pink masonry "Mediterranean Revival" house zoned "Residential" upstairs "Commercial" downstairs..1st bldg south of a major tampa intersection..Give me an email, eh? (Could make a great studio!)
