Contemporary Christian light rock music including songs that are great for congregational praise and worship 11 MP3 Songs GOSPEL: Contemporary Gospel, EASY LISTENING: Soft Rock Details: Tanya McMurray is a 19 year old Christian songwriter from Canada. She started playing drums in her church's worship band when she was 12 and has never looked back. Today, she sings and plays for both adult and youth services. Tanya's dream is that her contemporary worship songs would be sung by congregations all around the world as they glorify God, and that her personal ballads would minister to anyone going through tough times. King of Creation is her first album. It is a blend of catchy upbeat, light rock, worship tunes as well as heartfelt ballads that are rooted in Tanya's personal experiences. We hope you enjoy the album, and will recommend it to others. Church congregations that have a CCLI license are encouraged to download the words and guitar chords for Tanya's songs from myspace.com/tanyamcmurray.
