(myspace.com/teraenic) Superscenic is a doujin collaboration between Tera (Composer) and Collateral Damage Studios (Artwork). It is an artbook filled with anime/manga styled illustrations accompanied by an original soundtrack composed, arranged and produced by Tera. The Superscenic Original Soundtrack depicts an original story which is told in poetry form in the book. Besides the music, there a few illustrations depicting certain parts of the story. The soundtrack also includes a total of 6 bonus tracks, 2 of which, are composed/arranged by a guest composer/arranger, Shintaro Aoki. More information of the project can be found at the official website : sympheramusic.com/Superscenic Superscenic OST, is Tera's second solo album release, prior to this, he released Promise the album in 2006

(cdbaby.com/terafantasy) Tera took off his musical journey with piano at the tender age of 7. However, it was not until 14, that he realized his true passions for music. It was partly ignited due to the interest in doing digital music. Amazed and captivated by video game music, Tera started dabbling into compositions where he got to know the wonders of digital music. Over the years, he slowly learned more in-depth composing as well as better audio.digital music skills. Tera is currently undertaking a diploma in Music and Audio Technology at the Singapore Polytechnic and his goal is to study Film SCoring at Berklee College of Music and ultimately, work in the video games industry in Japan as a video game music composer.
