

Mp3 The Flir - Please, Please, Please

[DOWNLOAD HERE](#)

Get dreamy with this well-produced San Diego band, which alternates between lush, vocally driven songs and atmospheric electronica. While the writing may occasionally reference '80s new wave, the end result is entirely modern, original, and essential list 5 MP3 Songs ELECTRONIC: Trip Hop, ELECTRONIC: Ambient Details: The FLIR is a Southern California based band with a sound that has been described as "dreamy guitar pop" and "elektro-shogaze". For the sake of comparison, the band is akin to Cocteau Twins, The Cure or even yet Depeche Mode.
