Her parents had been killed before her very eyes, though Karen O'Neill could barely remember that childhood horror. Now an art buyer is dead and Karen's famous face vases are being shattered. What about the vases led to the cold-blooded killing? Art expert Mason DuBroc believes the clues are in the clay. That the creepy face Karen molds is motive for murder. Has someone recognized himself in her work? Karen must know something she shouldn't. Something her subconscious has held on to for years. And something a crazed killer will do anything to keep buried...with Karen.
