"The Ultimate digital product vending system" Have you ever wanted to print money? Well now we are giving you a license to print unlimited money DOWNLOAD GEEK X allows you to open up your own software shopping center, software creators come to your site and sign up to sell the products using your digital product shopping cart and auto download system and you get a percent of every sale the vendors make from your site. Im not going to bore you with some long technical sales page so im going to get to the important part of this script THE ENGINE or in another term THE ADMIN AREA Admin Area At A Glance: SETTINGS: In this section you can update your admin user name, password, email (this email is used to send emails to users), paypal id (here you receive money from buyers). You can also change the categories order (the way they are listed, I recommend you to leave them as they are.) From here you can also add OFF-SITE Scripts. This scripts are added only by admin and they are hosted on other websites. They will be listed in OFF-SITE categories Manage categories: ----- Here you can ADD/REMOVE/MOVE/RENAME categories. ----- Manage sellers or buyers: ----- You can update/remove sellers and buyers informations. You can also send them

email. You can send email to one user, to all users or to some selected users. -----

Setup commissions: ----- The fee that will be taken from each script that will be sold.

----- Manage off-site scripts: ----- You can update or remove the

OFF-SITE scripts. ----- Manage sellers scripts: ----- You can update or

remove the scripts added by sellers. ----- Approve/not approve scripts:

----- After a seller add a new script you need first to review his script. If you want you can

approve or remove it. After you approve it the user will receive email notification and the script will be

visible in his category. ----- Withdrawals: ----- From here you can see

the user and paypal email of the users that just withdrew their money. You can go to paypal and transfer the money to their paypal email and then come back on this page to press Paid button.

----- Transfer money: ----- After a product is sold you will receive the

money from paypal on your admin paypal id. You'll receive the name and the script id in this way:

productname - productid and the paypal email from who you received money and the amount in \$ . You

have to complete that fields and press transfer. When you transfer money the seller receive an email and

the fee is taken. He receive all this informations. ----- Send email to users

----- View all communications - you can see/delete all communications between users.

----- and much much more this allows you to basically run your on software digital

download shopping portal!
