Singer/Songwriter-with a flair for story telling. A great album for chasing away the winter blues. 12 MP3 Songs FOLK: Modern Folk, ROCK: Acoustic Details: Some call him a bluesman because of his use of hard driving lyrics interwoven around the crying sounds of his guitar and harmonica. Others refer to him as a crafter of stories and dreams. His latest album "Postcards From Paradise", has all of those elements and more. Ardy Michaels paints a weaves a tale of a journey to exotic locals in the southern latitudes, of sandy beaches and sun draped islands. From the acoustic sauza rhythems of "SLEEPY LITTLE BOARDER TOWN" to the ocean splashed melody of "ONE OF THESE DAYS", you can feel the motion of travel as you voyage to places where only dreamers dare to go.
