The Classical Child Series is a delightfully unique presentation of classical music made especially with kids in mind. 14 MP3 Songs KIDS/FAMILY: Kid Friendly, CLASSICAL: Contemporary Details: The Classical Child Series is a delightfully unique presentation of classical music made especially with kids in mind...We presently offer six different CD titles that invite the entire family to enjoy the best of the masters. The Classical Child Series was arranged to suit the sensibilities of newborns and young children; yet has also found its way into the hearts of parents, grandparents teachers. THE CLASSICAL CHILD AT THE OPERA: THE CLASSICAL CHILD AT THE OPERA was created to give children a taste of the magic, majesty and humor of this glorious art form. Be surprised and delighted by hearing your child sing some of the world's best opera music for children. We call this album "opera music for kids" because the pieces were chosen from children-friendly operas and all are sung in English. The richness of the stories are enhanced by a libretto that accompanies the CD version. Enter the enchanted world of Hansel Gretel, The Magic Flute, The Mikado and more. This is an award-winning album of opera music for children, touted by Billboard as one of the best kids records of the year! **Winner of the American Library Association's 2000 Notable Children's Recordings Parent's Guide to Children's Media Award.
