Simple accoustic songs in most part recorded in a homely fashion with a lot of heart and soul put into the music. This set of songs are for the easy listener who does not want to think about the music involved just let it wash over you. 15 MP3 Songs EASY LISTENING: Mood Music, FOLK: Folk Pop Details: David Cooper is a man who is passionate about his music. He eats, sleeps, dreams and sings it. His music is the be all and end all of everything. He is a quiet man in many ways, he doesn't speak much and he shuns the lime light. But when the conversation turns to music he sparks up and comes alive. This latest album from the Cooper stable shows the more serious side of David Cooper. David says Back To Basics Sometimes you just got to go back to where you started. I sometimes imagine just sitting under a palm tree strumming my guitar
