

Mp3 Della Valle - Pop: Today's Top 40

[DOWNLOAD HERE](#)

A little 80's stadium rock flava and hopeless romantic flare make this album easy to like. Anthematic sing-a-long choruses and tasty rock grooves that glue themselves into your membrane. You'll be singing these songs in your sleep. 6 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock Details: Out of the thriving and diverse new jersey music scene emerges "della valle." infused with all the good things that make rock n roll memorable and fun to listen to, like catchy sing-a-long choruses, heartfelt powerful lyrics, melodic riffs and harmonies that stick in your mind for days. the band features an ensemble of 5 young men, all friends from childhood that have been playing music and entertaining their entire lives. spearheaded by lead singer/guitarist jason della valle and enforced by jon crane (bass guitar), frankie pergola (lead guitar, harmonies), billy vivino (keys, harmonies), and chris james (drums percussion). influenced by acts such as u2, bruce springsteen, the replacements, and elvis costello, "della valle" is it's own sound born from the admiration of these and many more influences. the music is empowering, dealing with issues and themes such as adventure, personal growth, new life experiences, heartbreak, self-destruction, and love. filled with all the simple complexities that make music interesting, "della valle" is a sonic backdrop to the everyday joys and struggles of contemporary life.
