

## Mp3 Domingo De Grazia - Calendars

[DOWNLOAD HERE](#)

Romantic classical guitar music with both sweet and delicate tones, as well as deeply sensual movements performed by guitarist Domingo De Grazia. 10 MP3 Songs CLASSICAL: Traditional, EASY LISTENING: Mature Details: About the Music: The music of Domingo De Grazia contained within this recording (Calendars), sometimes referred to as "classical guitar" or simply "classic guitar", is a medley of classical, Spanish, traditional and folk styles brought together by the artist to express inner emotion through the medium of music. Domingo's style of composing, and his guitar technique allow the listener to relax and passively enjoy the music as well as actively participating in the deep emotions evoked through the guitar. The original compositions were painstakingly written to be expressive, granting the listener insight into the composer's deepest feelings. The classics covered herein were personally selected by De Grazia for their beauty and personal significance. The entrancing sounds of Domingo's classical guitar pieces bring a modern feel to the world of classical music. De Grazia's unique style captivates listeners, pulling them deep into the emotional mixture of musical techniques, including them in the same feelings that were so obviously present when writing these beautiful songs. About the artist: Domingo De Grazia was born in America and raised in the Southwest United States. Domingo's parents instilled in him a deep love and respect for the arts at a very young age, giving him creativity and vision which, coupled with his natural talent and drive, have forged a unique and diverse musical ability. He has been writing and performing a variety of guitar styles since his youth, and has focused on growing musically, personally and professionally. Along with his artistic pursuits in guitar performance and recording, Domingo currently holds a Masters degree in Aeronautical Science and a Juris Doctorate degree in law.
