It has an inspiring feel that makes people want to draw closer to Jesus. 6 MP3 Songs GOSPEL: Contemporary Gospel, EASY LISTENING: Soft Rock Details: I was born in, Riverside, N.J. on June 4, 1970. My parents are, Edgar Francis Harrington and, Joann Marie Kelly. My Mom and Dad separated when I was two years old because of my father's serious heroin addiction. I was born two pounds and fourteen ounces. I was in the newspapers as the miracle baby. My Mom said it was touch and go with me. They did not think I was going to live. I also had heart surgery when I was five years old. My mom said that a one day stay in the hospital turned out to be five days in intensive care for a bilateral myringotomy and an adenoidectomy. The following year was the heart surgery. I had a very loving childhood living with my grandparents, my mom, and my uncle. Ever since I was two years old I loved music. I had my first drum set at the age of five. My mom also bought me rock and roll albums at the age of five also. Growing up I would make stories, draw comics, and do puppet shows for the neighborhood kids. The kids thought I was cool. Everything seemed normal until tragedy struck the family when my uncle died in a car accident. He and I were very close since I did not have a father. It seemed like after that I started failing in school. I quit school at the age of sixteen. I grew my hair long and got my ear pierced. I started becoming rebellious. I did not want to work. I lived in a fantasy world and wanted to be a rock star. My father called from, California when I was seventeen. I had not seen or heard from him since I was two. I had prayed to God and asked Him to let me meet my father and that I would follow him and become a Christian. Little did I know that his girlfriend, Joyce, was a Christian. She took me to church and that was the time I got saved and baptized in the Holy Spirit. I joined a church in, 1997, called, East Coast for Jesus. I played in the worship team for six years. I met my wife, Shannon, there. We got married at, Fountain of Life, on, Feb. 21, 2004. Our son, Eddie, was born on, Sep. 27, 2004. He was born premature and also had heart

surgery. he had a 12 page report of things wrong with him. God healed him of everything. We now attend, Living faith christian center in, N.J. and are doing good. Thank you and god bless for your time.
