The sound of this band was achieved through smoke and mirrors ... minus the smoke and mirrors. It's as raw as you can get ... get it now. 11 MP3 Songs BLUES: Rockin' Blues, ROCK: Roots Rock Details: Erin McCallum Roadtrip are well known for performing traditional music untraditionally. Staying true to their roots, this band takes the music to the edge and sometimes beyond. Their original compositions, which comprise this entire album, have taken Blues as we know it to a whole new level. The raw intensity of this CD will take both the experienced Blues critic, and the novice listener on a roadtrip they won't soon forget!
