Arsty Pop: A twist of passion 4 MP3 Songs in this album (12:31) ! Related styles: POP: Pop/Rock, POP: Pop People who are interested in New Order Goldfrapp should consider this download. Details: Artsy Pop It takes great distance and knowledge of what we do as artists to be able to speak about it and be able to sale it well. All I know, is that without the original sensible music of Philip M. (CEOz Prod) and Charles Michauds sharp mind (Preference Mastering) I couldnt be proud today of introducing Arsty Pop. The idea of "Arsty Pop was brought to us by one of our first radio programmer Jonathan L. He qualified our first album Not Your Enemy as being Artsy Pop, so we kept this name and continue to write around its resonance. Arsty Pop is a promotional 4 track concept, we hope you enjoy the first couple since they portray my personal views on portions of my life with a twist of passion. I write and sing about my own issues, my entourage and how I react towards them, or, I wear someone elses skin whom I feel deep compassion for. Thanks to my training and experiences as an actor, I enjoy switching moods, states of mind and sometimes hold a different range. Ive learnt as much with listening to singers like Beth Gibbons, Tom York, Patti Smith, Alanis Morrissette, PJ Harvey etc..... To me, it all depends on the emotions that runs behind it all. I love all kinds of music as long as it makes me travel and loose touch with reality for a few seconds. Ive always loved listening to english speaking songs altough Im french, but after spending 8 years in California (which I hold like my second home), it is difficult for me to consider writing in my birth language. I hope you will travel a bit into our rocking poping world..... Thanks for stopping by. Tags: pop
