Cutting edge rock, electronic Euro dance and experimental tracks that will grab your attention and leave you wanting more. 22 MP3 Songs ELECTRONIC: Euro-Dance, ROCK: 90's Rock Details: Analog 4 Track Volume 2 is the creative follow up to Volume 1(Cigarettes, Beer, and Freakin' Awesome 4 Track Cuts!)takes you on a journey of Rock and Electronic genres ranging from Dance to the Experimental. All tracks were skillfully bounced together leaving room for more recording space produced and packaged in a 4 track studio! Volume 1 gave you a calouge of different styles and textures with a raw, rough edge delivered on all 41 tracks. Volume 2 offers awesome sophistication with a slight rough and edgy feel most apparent on "Teenage Angst(Live Rough Cut)." "Obsessive-Compulsive," is one of the instrumentals that has a strong experimental edge and guides you into the mind of a compulsive, calculating individual. "Tall Trees," takes you back to the nineties of bubble gum pop, melancholy rock music and also stems from the collaboration with former band mate from Rythmic Kult. Listening to Volume 2 leaves one with the knowledge that it doesn't matter how many tracks you have or high priced gear, it's all about skill, confidence and belief that all things are possible, one must make them happen and my products that I offer are the proof! Please fill free to comment and I hope you enjoy!!!
