

Mp3 Ian Babington - Communication Overdue

[DOWNLOAD HERE](#)

Living in the heart of England, the always melodic songwriting of Ian Babington is influenced more by the Texan storytelling of Nanci Griffith, the New Zealand melodies of the Finns and the Mersey sounds of the Beatles. 10 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: From Leicestershire in the heart of England, but with influences from Austin to Australia, comes the debut solo release from singer-songwriter Ian Babington - "Communication Overdue". Whether as a solo artist or previously as one half of duo Evangeline, Ian has always enjoyed a reputation as a thoughtful and melodic songwriter and on this album - recorded live with no overdubs and studio trickery - the emphasis is very much on the songs and their strong melodies. Ian is an acoustic artist and influenced by a number of artists in the folk, country and singer-songwriter genres as well as retaining a love from childhood for Lennon/McCartney. In addition though, songs here have an appeal universal enough to also draw praise from rock and jazz fans. Thank you for listening !
