J Wheels, Norfolk, VA native and producer of the duo, has been in the game since 2005, debuting on Canibus' album "Hip Hop 4 \$ale" alongside of his mentor Nottz. Shortly thereafter, the flood gates opened for J Wheels to work with artists like Royce da 5'9", Jean Grae, Edgar Allen Floe, L.E.G.A.C.Y., Median, Termanology Latoiya Williams to name a few. Although this is J Wheels' first endeavor into R&B, the transition has been seamless in large part due to the talent and experience of K'bana Blaq from the world renowned "Fuzz Band". K'bana Blaq has been the centerpiece of the Fuzz Band, handling duties ranging from songwriting to vocals, all while supplying an overdose of presence and swagger. Together, J Wheels K'bana Blaq have created an ep of lavish style and grit. From the intense opener "Black City", where Blaq lets everyone know that he's a survivor in the harsh realities of urban life to the overtly honest ballad of "More Than Human".
