ABOUT OUR

SONGS: CAROLINA AUTUMN - (Jordan Lee's favorite) Beautiful blends of mandolin, acoustic guitar w/ vocals by Judy Hall. The song was penned by Lee written on highest pinnacle mountaintops of Asheville, North Carolina in Autumn, 2000. AMAZING GRACE - (guitar instrumental by Sam Pacetti Jordan

Lee) Our classic rendition blends fingerstyle guitars by two of the best, making Amazing Grace our #1 hottest selling ipod single ever. Expect no overdubs or special sound effects - only two experienced players (Lee on the Martin Pacetti on the Taylor) in a double-verse version of the greatest gospel song of all time. GREATER LOVE - The music was written in 1978 by Jordan Lee. 21 years later, words taken from the Bible (For God so loved the world...) completed the song. Judy Hall said we need a strong song of faith in Our Lord Jesus Christ, because "That's who we are!" SOUND OF MY GUITAR - written

recorded by Jordan Lee in 1996 in the South Florida recording studios of Phil McArthur, Sound of My Guitar became an instant hit with locals and also Lee Hall's most requested solo acoustic guitar song. But Lee wanted to enhance the guitar playing on the recorded version adding unique drama to match the song's words... "The most beautiful sound that I've ever heard, is a simple guitar with no voice no word"... So friend guitarist Sam Pacetti from St. Augustine Florida agreed to lay down his famous 'fingerstyle acoustic sound' which ultimately gave the Sound Of My Guitar a magnificent classical/flamingo flavor. The result (listen to track 11) is utterly breathtaking!
