The much anticipated release of the LIVE worship recording of our latest Night of Worship event... is NOW available! Over 250 participants... an energetic choir, singing horns, jammin band... 8 recording engineers... over 1000 worshippers... and most of all, an amazing evening of passionate worship to a very present God... The result? An electrifying worship experience that you will not want to miss! Do you wonder what 'contagious' worship sounds like? It's right here at KCC... people crying out to God - and Him responding right back! We experience it week after week... and are thrilled that now it can be shared beyond our church walls. Very cool. Thank you Lord! If you want to know more about us - just check out our website: kccwam Thanks! :)
