This CD was created to help drug addicts, alcoholics and family members recover from the struggles with addiction. 11 MP3 Songs SPOKEN WORD: With Music, GOSPEL: Contemporary Gospel Details: Michael Sanders,(who just goes by Michael), is a singer and songwriter from Kansas City, Missouri. I've been writing contemporary gospel music for about nine years. Born in Kansas City, I moved to Tulsa, Oklahoma in 1989, where my commitment to God opened the gift of writing. With my belief in God and my ability to serve God's people, there was a charge placed on me to MINISTER a message of hope in spite of the situation or circumstances that refuge can still be found in God. After years of writing, God blessed me with a special project that I feel is very unique. The message reflects me in many ways, but with all people in mind. It's geared to those that are headed down the street of no return. Reflections is just the beginning of the message of deliverance and healing for all men,women,boys, and girls. As I'm blessed to write, I just want to get the message out to the public. It's time for us not only to give a positive message,but to BE a postive messenger. Reflect and enjoy-Michael
