On The Drop's "Not Afraid" takes their Rock Reggae style to a higher level. The tight grooves and driving rhythms compliment the earnest and poetic vocals. The record combines the production of a studio recording with the energy of a live performance. 12 MP3 Songs ROCK: Modern Rock, ROCK: Funk Rock

Details: On The Drop's new record "Not Afraid" takes their Rock Reggae style to a higher level. Start to finish, you'll be hooked. The tight grooves and driving rhythms of the drums, bass guitar are the perfect compliment to the earnest and poetic vocals. The record combines the clarity and production of a studio recording with the egde and energy of a live performance. It will rock your socks off. "On The Drop aren't waiting for the next big thing. They are." says Joel Simches, the Noise Magazine. On The Drop is a Boston based band formed in early 2000. The quartet is rapidly gaining recognition for their unique style of Reggae infused Rock and their fun energetic live shows, during which they play an exciting mix of originals and covers (including:Bob Marley, Sublime, 311, the Police, Pink Floyd, Jimi Hendrix and more.) In 2002, On The Drop recorded a four song EP, titled "Cookies", which has met acclaim from fans and critics alike. Their much anticipated new full length album, "Not Afraid" was released in May of 2004. You can check out onthedropfor more info on the band and upcoming shows.
