A musical journey through the souks of Marrakesh 18 MP3 Songs WORLD: World Fusion, CLASSICAL: Contemporary Show all album songs: Medina Songs Details: Medina by Irish Guitarist/composer Paul McMordie explores a wider range of options than its predecessor. Niblocks uniquely expressive double-bass drives the music forward and has a central role to play in the ensemble interaction. The music is somewhat arabesque in flavour, yet never failing to pay homage to musical avenues that lie closer to home
