Details: You are about to witness one the greatest albums ever put out by two young artist. Who knows them? Nobody. Who will know them? Everyone. With Young Brett producing 95 of the album, the public is sure love this masterpiece. The cd also features some great talent. They call him truck and he could be the next best thing real soon, all you have to do is hear him sing. He appears on three tracks, one being track five, witch Young Brett did to honor his father for just being a father. Also two beautiful young women who call themselves D.O.Z. There are so many more that appear on "This Crazy World" album. "This cd is selling like crazy, i knew it would do good, but not this good,i'm so happy right now". -Young Brett With 12 blazin tracks "This Crazy World" promises to be everything you've heard it is. Songs like This Crazy World take you into real life stories that happen to real life people. Track #4 Still Praise show that these 2 artist are not ashamed to do this gospel thing, and no matter how much people talk about them, there still going to praise. And what about Bring On The Rain featuring E-DUB and THE CHOSEN STAAR. And the last track featuring In God's Hands Family, Soldier In This Game, might just be the best one of them all. So weather your 5 years old or 55 years old, you are going to love this cd. "I make music for everybody, i don't rap fast and you can understand everything i'm saying, the Relic aswell". -Young Brett
