

# Mp3 Revolution Entertainment - Before The Revolt

[DOWNLOAD HERE](#)

Changing The Game... "Follow Your Dream... Then Die For It." 16 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hardcore Rap Details: Not everybody likes to listen to the same old Rap thats on the radio. Not every artist fits the fake mold of commercial music. There are those of who want to hear and make music thats REAL and ORIGINAL. Revolution Entertainment is dedicated to just that. Music made to change the Rap world. Before the Revolt, Revolution Entertainments collaborative project, mixed the four corners of Hip Hop together to produce an album with a style that has never been captured before. Revolution Entertainment has encompassed all reigons and genres of Rap. With tracks going from grinding in the streets, drunk in the club, to kick back and think about your life songs on this album, all with one thing in common.BANGERS. For anybody whos sick of hearing the same songs, anybody who loves different types and styles of Rap, anybody who loves Rap for what it USED to be. REAL music for the people.. BEFORE THE REVOLT was made for YOU.
