

Mp3 Roger Nelson - The Bones Of My Inner Ear

Fifteen songs about everyday things, friends, lovers, light, children growing up, towns, moving away from places you love. Maybe it's an album about balance, or lack thereof. 15 MP3 Songs FOLK: Modern Folk, POP: Folky Pop Details: Amazing, wonderful, funny, wrenching stuff is right here in front of us all the time, anywhere. I keep telling myself just to relax a little and catch a few of the normal details honestly - and the broad themes will show up out of curiosity. I don't like to practice, I have no discipline. But I play whenever I can. It keeps me . . . sane, I guess. My songs tend to be ostensibly about normal everyday things, and often have a healthy dose of self-deprecation to them. I like playing with words, and love the way the meanings of words have overtones and resonances very much like musical sounds.
