Spirited, irreverent, thigh-slapping original tunes with vocals, ukulele and kazoopolitical satire on George Company. 19 MP3 Songs FOLK: Power-folk, COUNTRY: Country Pop Details: If you cant beat em, laugh at em. Thats my motto when it comes to george w bush and company. Ive evolved from poet to singer to songwriter, and its all about george. georges war georges debt georges lies georges pop-up book If you missed it, thats what he claims he will write in his post-presidential years. When hes not roping cattle or chopping down trees, that is. A pop-up book for a man who has failed the hurricane victims of Katrina, failed the families of soldiers sent to Iraq, failed the soldiers and veterans, and failed America by turning her credibility to zero. The pop-up book president has overseen the murder of hundreds of thousands of innocent people in Iraq, and its all in our name. The song My President speaks to that business. Whether I voted for him or not, hes still the president of the United States of America, and will continue to do harm so long as he finds an audience. I have started a new campaign: no air for george. Heres how it works: JOIN THE CAMPAIGN!! Do you remember the first drums of war? How we lost in 2000, and again in 04? The agenda was set, and we pay the price: Fool us once? Fool us twice? Fool us thrice? join the campaign no air* for george this president lies to his people he should be impeached he should be tried for war crimes and he should be forbidden access to radio TV and the internet no air for george join the campaign to defrock and expose this president I solemnly pledge that from this day forward I shall do everything in my power to strip the name of george w bush of capitalization and punctuation no caps no periods no respect and no air for george *no air time In short, Im pissed. And a little bit worried about the election of 2008. Since 2002 I have evolved from a humble poet to a not-so-humble ukulele-toting singer/songwriter. So, come on along, tap your toes and snap your fingers to george dick THE CD, and help America find someone competent, decent, and hardworking to pull us out of the muck and mire. Just

say no to george dick! By the way, george dick THE BOOK will soon be available at bushrageAllowed.com. The book will feature nationally syndicated cartoons, my newest poems and songs, and the LYRICS AND CHORDS FOR SINGING AND PLAYING ALONG on george dick THE CD! Watch for it! Thank you. Sharon E. Streeter Background Information: Background information: Born, Seattle, Washington, 1943. Attended Federal Way Schools, graduated from the University of Washington in 1965. Masters in Teaching from Lewis Clark College in Oregon, where I taught French in the Lake Oswego School District from 1967 to 1993, and for Clackamas Community College in the 1980s. One of the founders of the Hardy Plant Society of Oregon, I continue my interest in gardening and plants. My husband, James A. Streeter, was chair of the Math Department at Clackamas Community College in Oregon City from 1967 until his death in 1989. He authored three math textbooks, published as The Streeter Series by McGraw Hill. My other poetry, letters, and essays have been published in PoetSpeak, An Ear to the Ground, The Willamette Writer, Pacific Northwest Conference Newsletter, The Hardy Plant Society of Oregon Bulletin, Pacific Horticulture Magazine, Gardens Illustrated, The Portland Tribune, The Portland Alliance, and The Oregonian. My poem opsimath appeared on the A Word A Day website. I never imagined myself as a protesting, ukulele-swinging activist. That all changed when george took office. When we have finally ousted bush and company, I shall return to poetry and songs of a different nature. #
