

Mp3 Shaune Martinez - Further

[DOWNLOAD HERE](#)

An eclectic blend of acoustic driven rhythms, jazz undertones, and strong vocals melodies. 13 MP3 Songs FOLK: Modern Folk, FOLK: Folk Pop Details: Shaune Martinez is a native East Texan and has been around music his entire life. From the sounds of a little country church hymnbook to the sweet rhythms of Jim Croce, The Eagles and James Taylor, his childhood was full of music and somewhere along the way developed in him a strong love for music of any kind. This album is reflection of Shaune's experience and his strong lyrics and charismatic vocals will draw you into each song and story as if it were your own. This music is real life, about real experience, and is determined to somehow make a difference. Listen and enjoy Shaune's musical musings about life as many of us know it. One last thing you should know, the musicianship and production of the album are superb. Listen to the tracks and see for yourself.
