Watch your back and your nightmares because Stark is just around the corner threatening a torrid of harsh industrial sounds, imagery and soundscapes in the style of Wumpscut, Suicide Commando and Hocico. 13 MP3 Songs ELECTRONIC: Industrial Details: About Stark's album Brave New Desire One man prodigy child Lee Bulig translates all his worst nightmares into music with Stark. Harsh industrial at its best pushing you to the edge of your seat in eager anticipation of death, decay, blood and dancefloor! Lee's debut EP 'Wield' and awesome album 'The Surgical Suite' were already sweeping the world in awe but with this second full length album by Australian harsh electro hero STARK, Ground Under Productions presents a really outstanding, uncompromisingly harsh album! In fact, the label claims: 'We were first afraid to bring you Stark's shocking 2nd album. We thought the music was so terrifyingly good that it would be too spooky for anyone to buy, but how could we explain to someone as crazy as Mr. Bulig that we could not release 'Brave New Desire'? We were too scared. So please - buy this CD - for everyday that we don't sell a CD, that's another family member gone. This extreme industrial electronics has gone too far. PS - Also buy Starks debut album 'The surgical suite' - we cannot afford to loose anymore limbs...' Watch your back and your nightmares because Stark is just around the corner threatening a torrid of harsh industrial sounds, imagery and soundscapes in the style of Wumpscut, Suicide Commando and Hocico!!! Brave New Desire is packaged in a sexy deluxe digipack including a bonus mini-poster. Artwork gratiously provided by Cancerbox who has also done great art for Wumpscut, Stromkern, Flesh Field, Implant, KieW, Mono Chrome + many others.
