Music is for everyone. Canada boasts a burgeoning psych/shoegaze/new wave/pop scene and The Hoa Hoas (pronounced WahWahs) are leading the charge. Together since 2005, The Hoa Hoas are influenced by 60s garage rock, psychedelia, early punk and new wave. Their goal is simple: to forge ahead ... to build upon the foundations of what has come before. The Hoa Hoas sound has been described as a psychedelic fog of guitars and bass soothing and captivating while still driving with an unrelenting ferocity (Chart Attack, 2008) and noted as one of the tightest, wellsynchronized underground acts on the scene. Getting people dancing thanks to their beautifully layered, supersonic psychedelic sound... (SoundProof Magazine, 2008) Enjoy the music ... We believe that it is meant to be ... To be is to contribute in some fashion to happiness and all things beautiful.
