first Worldwide artist to come out of Okolona, Mississippi and hold it down for his hometown. His "TEN
TOES DOWN" album is set to be released in late September '05. Production is again done mostly by
Playatight soundz's mastermind Mr. LPD who laid some deadly tracks on the Walking Wounded album for
Mr. Prime. Pimp Sno of Spoonful Production again does a couple of tracks on the album also. Maniac of
PFL fame comes through strong producing several tracks. Walking Wounded opened the eyes and ears
of the major labels for Mr. Prime. Reviews can be read at cdbaby.com/mrprime and southwest connection
just to name a few. Prime's TEN TOES DOWN album is expected to be the album that brings Okolona's
originator of Real Southern Bump his first multimillion dollar deal. According to sources, the majors
wanted him to prove that his first album was not just a fluke. Tracks like "Who Me?", "Down in Okolona,
Mississippi", and "One of the Greatest" will prove just that.
