The unique combination of traditional and Celtic instruments is the driving force that's been captivating audiences all across Delmarva (Delaware, Maryland and Virginia's Eastern Shore) since 1997. Three very unique musical personalities merge to form the String Dusters. Marilyn Long's intense love for old time West Virginia fiddle tunes played on the Hammered Dulcimer. Frank Nanna's bluegrass roots shine through on his guitar and banjo playing and Mickey Justice brings his passion for Celtic music and his ability to play beautiful harmony parts on mandolin, blending seamlessly with Marilyn's hammered dulcimer. The resulting acoustic fusion can bring the String Dusters flavor to a traditional American tune without sacrificing the authenticity of the original sources.
