This double disc CD/DVD combo is the follow-up to his highly successful debut project Its My Will, released in 2005 by West King Entertainment. Recorded during a stop on the Its My Will tour, Caught In The Act...The LIVE Experience captures Will in fine form. As always, his music takes us on an emotional journey but with this live performance he gives us even more. What you get is an artist who is clearly in control of his craft. To witness him live is truly an intimate experience. Like many great R&B singers, Will really comes to life on stage. His delivery is heartfelt, rousing and genuine. Much of the material on Caught In The Act draws from the Its My Will catalog, but there are a few surprises as well. Will does a masterful take on Luther Vandrosss Here and Now and also tackles the R&B staple Lets Chill with relative ease. Fans who loved Its My Will will enjoy the new edge now placed on those original songs. In particular, Second Chance is sure to be a pleaser. The new arrangement and addition of the lead guitar gives this Will penned tune a fiery seductive edge. His passionate delivery of Afterplay is spellbinding and far exceeds the emotion exhibited on the original. From the intro to the final track, a string laden stirring rendition of Its My Will, Will is noticeably in his element. Its no wonder that among indie music fans hes often regarded as Mr. R&B. When its time to chill and listen to the sounds of real R&B, Will is the go-to-man. His style is sophisticated yet hip and hes been privileged to enjoy success with audiences of all ages. Wills talents as a singer/songwriter were revealed with his debut project, but this release gives us a deeper more intimate glimpse into his artistry. His

composure and charm on stage rivals that of any veteran artist. He is quick to connect and instantly engaging. Its hard to decide whether to listen to the CD first or watch the DVD. Needless to say, either order will give instant satisfaction. With this release, Will takes one giant step closer to solidifying his rank as one of the best voices in R&B.
