From inside her cubicle walls, Holly Christmas had secretly pined for Connor Knight, craving just one evening of incendiary passion with the elusive millionaire. So when Connor sought a few hours of solace in his virgin secretary's arms, she readily succumbed. Then, a few weeks after their clandestine encounter, Holly received a surprising late Christmas gift: she was pregnant. Connor quickly offered to take care of her, but Holly knew her scandalous past would never allow her to accept his proposal not even for the sake of their baby.
