

A Brief Illustrated History Of Machines And Mechanisms

[DOWNLOAD HERE](#)

PREFACE ; INTRODUCTION ; On history without written sources ; On written documents ; On cultural influences on design; On the scope of this book; On the contents of this book; CHAPTER 1. ANONYMOUS DEVELOPMENTS; On machines before man ; On the machines of primitive man ; On popular machines; CHAPTER 2. CHINESE INVENTIONS AND MACHINES ; On war machines ; On textile machinery ; On hydraulic machinery; On clocks and automatons ; On continuity over the millennia ; CHAPTER 3. MECHANICAL ENGINEERING IN ANTIQUITY ; On technological evidence ; On the development of ingenious mechanisms ; On gears and screws; On the way to mechanical engineering; On Vitruvius s influence ; On harmony in machines; CHAPTER 4. MEDIEVAL MACHINES AND MECHANISMS ; On raising water ; On clocks and automatons; On the transition in Europe; CHAPTER 5. THE MACHINE RENAISSANCE 123 On war machines ; On lifting machines ; On hydraulic machines ; On machine tools ; On machines for traction and transport ; On machines for the rural world ; On domestic apparatus ; CHAPTER 6. MACHINES IN THE FIRST COLONIAL EMPIRES; On raising water ; On mills ; On lifting devices ; On other devices ; On machinery and precious metals ; On automatons; CHAPTER 7. THE MACHINERY DURING THE INDUSTRIAL REVOLUTION ; On textile machinery ; On the evolution of handcraft ; On machine tools ; On hydraulic machines ; On steam engines ; On the development of transport ; On automatic astronomical devices ; CHAPTER 8. A VISION ON MACHINES ; On re-examining Greco-Roman works ; On the systematisation of machine study ; On progress in practical use ; On mathematisation of mechanism design ; On machine training ; FINAL REMARKS; Looking to the future; On the challenge of biodevices; On the challenges with Mechatronics ; Chronological table; BIBLIOGRAPHY. EAN/ISBN : 9789048125128 Publisher(s): Springer Netherlands, Springer Science & Business Media Format: ePub/PDF Author(s): Bautista Paz, Emilio - Ceccarelli, Marco - Echvarri Otero, Javier - Muoz Sanz, Jos Luis
