Discover How To Turn Your Websites Content Into Cash! If you've ever tried profiting from Google AdSense before, you know it takes more than just setting up a website to start seeing any cash. Don't make the mistake of thinking Google will let just ANY website join their program! The truth is, Google likes some websites better than others. I'll let you in on the top secret industry conversations that will reveal how to set up your content site for maximum profit. In this book, you'll learn a 5 step battle plan to Google AdSense profits. You'll learn how to format your ad blocks, research keywords, develop the right type of content and more! Thousands of marketers really are making substantial incomes from Google AdSense alone. In this book, you'll discover... An inside look into how Google chooses the ads placed on your website (crucial to the moneymaking process). 3 reasons your website should be using Google AdSense (and nothing else) right now. How to keep your competitors ads from showing up on your website. How to let visitors search the web from your site (and profit while they do it) The simple mathematical formula behind AdSense that makes you cash. (And makes some Google AdSense users up to \$25,000.00 a month.) The trick to creating a website Google will love (and will end up making you the most profits with). How to format your ads to get the most clicks (and cash)! Where to place your ads for maximum exposure (there's a technique to it). 5 tips to selecting super-keywords that bring in visitors that are ready to click. 2 rules to creating and finding quality content. How to use Google's built-in features to track your results and formulate your game plan. How to make sure you don't get in trouble with Google. (Many have!) 12 do's and don'ts for your (long) journey with Google AdSense. The secret to using RSS feeds and Blogs to maximize your AdSense dollars. And believe me, that's far from all.
