Now You Can Drive Insane Traffic To Your Web Site Using The Magic of Article Submission... ..and it all happens practically on autopilot! I was totally amazed when... .. I finally stopped to add up all of the money I had been spending on advertising my web site. Fifty dollars here, a hundred there; pretty soon it had become a substantial amount of money and I wasn't seeing much in return. On top of all that, I was pouring more than I care to even think about into Google and Yahoo ads.. That's why I created Article Submitter! Your Signature Name Here You see, like many of you I had read all of the Internet marketing "how to" books, and I had become convinced that it took money to make money. Those books told me that I had to buy ads in the major search engines, rent e-mail lists and pay to insert ads into e-zines. So I

clicked on the links to the programs that they recommended and I spent and I spent and I spent. I did EVERYTHING that the "Gurus" told me to do and I ended up spending more than I was making. I felt deceived! Does it frustrate you that you have been lied to, ripped off, and literally been taken advantage of by blood sucking MLM, and internet marketing program owners? The reason you, and many others, may not have found financial independence yet, is because these owners are only interested in getting rich quick, leaving you poor fast!

Wednesday 12:47pm From: Your Name Here Dear Internet Business Owner, My name is (your name) and until very recently I was guilty of blindly following the advice of so-called professionals who seemed to know how to make the big money that I was missing out on. I read all of their books and I even spent good money attending some of their seminars. I didn't see it at first, but after I began to realize that I was bleeding so much red ink thanks to bad advertising advice that didn't work as promised, I saw what was really happening... .. many of these so-called "Gurus" actually were making all of the money that they claimed, but they weren't making it selling products. They were getting rich by convincing everyday people like you and me to click on their affiliate links and waste our money buying advertising that we really didn't need. They were getting fat off of our money and, honestly, there weren't too many who really cared if what they recommended worked or not. They only cared about their mega affiliate income. So the day came that I decided I was going to stop making other people rich and start investing in myself. I went to Google and typed in the phrase "free Internet marketing advice" and I hit the jackpot! I found hundreds of articles about Internet marketing tips, trick and tactics and it didn't cost me a penny to buy any one of them. They were FREE. And that's what got me thinking.. "Why in the world would so many people spend so much time writing free articles and getting them distributed all over the Internet?" I began to examine the articles more closely as I read them and a few interesting patterns emerged. Of course, the first pattern I noticed was that I had found all of these articles by simply searching for a specific key phrase in Google. So I went back to Google and tried other key phrases. I didn't just concentrate on marketing phrases either. I love to enjoy and work on my backyard pond, so I searched on the phrase "water gardens" and hundreds of articles came up. I then searched on the phrase "restoring classic cars" and thousands more articles came up. No matter what phrase I searched for in Google I found hundreds or even thousands of FREE articles written by people who actually knew what they were talking about! But I still didn't have the answer I was looking for... What was in it for the authors of these articles? Why were they spending their time writing free articles for you and me to read and

enjoy? As I looked deeper, I realized that many of these articles were posted on article repository web sites. These were huge article directories that held thousands of articles on nearly any topic you could imagine.
