Canon F1 Service Manual. When purchasing a new item most people unwrap the product and discard everything inside the box including the service and parts manual. Most of us think, I would never open up the camera to find out what is wrong, so what do I really need my manual for? The assumption that your camera manual is only for people with great technical skill is a misconception. Purchasing a user manual can save time, money and aggravation. The user manual and service guide for your camera provides important information about its daily use and care. If youve thrown out your service manual, lost it or have bought a used camera without one, purchasing a new one is always a great idea. The service manual can contain troubleshooting, disassemble and reassemble instructions. Having a manual handy is important to extend the life of your camera as it provides do's and don'ts for proper operation and care. When all else fails the manual is an important point of reference for technical assistance. It may not seem that a camera would need a service manual, but you will be surprised to find lots of helpful technical information for the use of your camera. Contains 44 pages in pdf format of all the information you require to service your camera. Print off one page or the whole manual. Contents:- Camera Description Repair Information
