This song has a comic feel to it with stories of the groups experiences in clubs where girls look good from afar -but are far from good. How We Flo is a good example of 2 Real 4 da Minds versatility with fast paced lyrics that twist the tongue and harmonized singing in the hooks. Watz Up is one of the groups most political songs. This song speaks to everyone no matter the race, nationality, or economical status. Watz Up brings up issues like poverty, privilege, violence, disease, and love. Play it Smooth, which is a group favorite as well as another fan favorite, has a reggae style beat and hook.
