Raised in a house with a piano, good Karma and good luck; Been jammin ever since. 11 MP3 Songs
ROCK: Progressive Rock, ROCK: Instrumental Rock Details: Born, mid century, middle American, middle class values, mid life crisis. Raised in a house with a piano. Good Karma - good luck. Been jammin ever since, mostly for the soul. Peace. Peace and Love. The CD title really says it all. I try to be political, industrial, hardcore street wise. But when translated through the human heart, it is all the same. Peace and Love.
