An acoustic country/rock collection of love, pain, loss, fear, AIDS, and hope. 14 MP3 Songs COUNTRY: Country Rock, ROCK: Acoustic Details: "Love and other four letter words" is the newest CD by Billi Patti This acoustic CD explores other four letter words like; loss, fear, AIDS and hope. Billi is a country girl raised on Dolly Parton, Dottie West and Reba. Patti cut her teeth on Jimi and Janis. Then proceeded to Black Sabbath, Led Zeppelin, AC/DC and Aerosmith. This would seem an unlikely pairing, but the finished product has everyone ears buzzing. It is hard to put this music in a genre unless you create a new one. There is a little bit of something here for everyone. An important addition to this CD is the song "Until There is a Cure", a song about HIV/AIDS. This song is the reason that one dollar from the sale of each CD will go to The River Fund. Recorded, mixed and mastered at Audio Images by Grammy nominated Mike Badalamenti.
