"Juke Joint Blues " with a hit of "Funk" little "Doo Woop " A taste of "Maceo /Albright" A whole Lotta Gratitude,,, Enjoy 13 MP3 Songs BLUES: Funky Blues, BLUES: Rhythm Blues Details: The voice of Billy Tojo Carter just completely takes my breath away. Matched with a light, to growly and exquisite mix of blue's to smooth rhythm blues his voice is absolutely a highlight reminiscent of ZZ Hill, Johnny Taylor, Chubby Tavares. You will differently hear the similarity's . He has the same shimmering quality breathy voice those vocal predecessors exudes. And with an ability to slide into the "Juke Joint Blues", with a touch of Maceo Parker Gerald Albright on the Tenor Saxophone all that's left is the desire of me to say to the world, this cd is "Absolutely Gorgeous To The Ear" Don Wanjiku Magic is what brewed out of this project, with that old school attitude, that always somehow kept us in a survival mode to get us here. It just jelled ,formed cooked up into a funky, soulful, spiritual, journey into the Blues Looking forward to working with U again good luck Carter This blend of blues is sure to put a smile on your face and a wiggle in your hips. It's a turn up the good funk blues happy listening definite car ride ...with your shades on, top down...get your groove on..make your day ...get lucky ..cruz with the blues CD
