There are a variety of different styles because of a compilation of various artist. The album starts off with up-tempo rap/hiphop party tracks. The mid part of the album changes to R&B and ends with Rap/Hiphop. 21 MP3 Songs HIP HOP/RAP: Rap, URBAN/R&B: Rhythm Blues Details: As a music producer and songwriter this is my second compilation cd I've had the pleasure to introduce to CDBaby and the world. The first cd "Beyond Tha Blocks" by LPM was the first. I enjoy writing and producing songs. I look forward to many more. Hopefully, fans will enjoy this compilation of artist even more than the first time around.
