If you like original country for your listening, dancing and all around enjoyment you're going to love this album.. 18 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Rock Details: After playing for dances, concerts, and recording sessions across the United States we decided it was time to do an album with friends we have enjoyed playing with throughout the years. We all gathered at Gib Guilbeau and Darrell Cotton's Studio 47 in Palmdale, California and with the exception of songs penned by Waylon Jennings and Marty Robbins, the album consist of original songs penned by Gib and Ron Guilbeau, Troy Hope, Thad Maxwell, Shannon O'Neill, Frank Dycus and Bruce and Darlene Oakes. We have included 5 Bonus tracks recorded in 1968 with the "Nashville West Band" featuring Clarence White, Gib Guilbeau, Gene Parsons, Wayne Moore, and dedicated to our friend Clarence White. We thoroughly enjoyed putting this album together and we hope you will enjoy it too so give it a try!!!
