Are you ready for By The Wayside's NEW ALBUM "Say Goodbye to what We Once Knew.?" I think not. This CD has everything a Punk, Pop, EMO, Ska fan could ask for. Dont believe me??? Then Stop wasting time and check it out for yourself. Try Numbers 1,4,5. 15 MP3 Songs POP: California Pop, ROCK: Emo Details: is a band straight out of Tempe Arizona. Main ingredients are as follows: Tyler on vocals, D-Rock on guitar and vocals, Joe on lead guitar and effects, Kyle on bass, and Nick is on the the drums. Three of us used to be in a band called 5 Second Rule. Made some changes, and started a new band. Nick comes from more bands than I care to list at this time. All of us are friends and enjoy putting on a very energetic, hard hitting show. Right now we finished our album "Say Goodbye to what we Once Knew"! and are playin shows and promoting it. .
