

## Mp3 Christopher Walsh - New Sounds, No Time

[DOWNLOAD HERE](#)

A marriage of Stones-y bluesy rock 'n' roll and Beatlesque pop. Sweet harmonies meet raunchy riffs on this classic rock-sounding tour de force. 14 MP3 Songs ROCK: Classic Rock, POP: Beatles-pop Details: Christopher Walsh is a musician, producer, recording engineer and music journalist based in New York City. For more than four years, he wrote for Billboard magazine, and has covered music and professional audio for various magazines, newspapers and websites for over eight years. He is a veteran of several New York City-based bands. As a producer and recording engineer, he has worked with artists including Kieran McGee ("Anonymous," Stanton Street Records). He has been a performing musician since the age of 15, appearing throughout the Northeast. He has performed with Ace Frehley of Kiss and Mick Jones of Foreigner. Recorded in 2005 in New York City, "New Sounds, No Time" is his first solo effort. He also launched C-Doobie Records, an independent music label, in 2005.
