Guitar-based rock/folk/pop with intelligent lyrics and strong melodic sensibilities, somewhere between Counting Crows, Tom Petty, and Toad The Wet Sprocket 11 MP3 Songs ROCK: Folk Rock, POP: California Pop Details: Chuck Nash is a Florida native. Born In Gainesville, raised in Jacksonville, Chuck wrote his first song at the age of eleven. At nineteen, he began playing as a solo act and in bands around Northeast Florida. Chuck's distinctive vocals, poignant writing style and self-effacing sense of humor have earned him the reputation as one of the premier performing songwriters in the region. His talents also helped him sell over 14,000 CDs, prior to his label debut (Dressed In Yellow Light), and in 1998 earned his band (Kingpins) Musician Magazine's Best Unsigned Band competition (chosen from over 1800 bands nationwide). With such a track record, it is little wonder that fans have been clamoring for the definitive break-out Chuck Nash CD release! One need not listen long to Chuck's music to get a taste of his unique, entertaining and provocative slant on life. His style combines elements of rock, pop, folk, and a little punk with insightful, sometimes biting lyrics to bring his listeners down a road all his own. Nash's songs range from straight-ahead rockers to artsy, ethereal ballads. With his infectious melodies, wry wit and "hey wake up!" social commentary, Chuck offers an intriguing and most compelling musical journey, both live and on record. A rare personality... a true individual... a great new voice in music!
