The best adult contemporary top-40 music of today. 10 MP3 Songs POP: Power Pop, POP: Today's Top 40 Details: The Dan Purser Band Every few years an inspired grassroots buzz is created at the threshold of a dynamically gifted musician. Utilizing an irresistible charm along with an undeniable musical gift, Dan Purser has mesmerized numerous fans creditable of most mainstream artists. Dan Purser is a singer/songwriter and a self taught musician who began to write and arrange complete compositions at a very early age. Dan soon took these compositions and applied them to a live show. By the age of 14 Dan was performing and captivating an audience. His uncanny ability to hypnotize a crowd with his charisma, energy, and passion for the music has lead him to perform on the same stages as John Mayer, Matchbox 20, Michelle Branch, and Maroon 5. With looks like he was fashioned for a modeling campaign, Dan has managed to produce a self made fan base that attracts weak-kneed teenage girls and sorority students, along with dedicated music fans in search of new artists. It is these committed fans that have kept Dan consistently on tour. With a strong college fan base Dan has directed himself into performing every major University throughout Northern America. With his musical ability co-existing in harmony with his charming personality and magnetic good looks, it is no wonder that Dan Purser has been recognized as an "Artist on the Rise" by the nationally televised video music series "Rockin' America".
